  Government Polytechnic Gonda
  UP 78.9%   2017 - 20
- **Intermediate**
  State Board 79.6%   2015 - 17
- **High school**
  State Board 84.3 %   2014 - 15

PROJECTS

Election Commission Demo

- Developed a comprehensive Election Commission Demo application using **Core Java**. This project simulates the election process, allowing candidates to file nominations, select constituencies, and choose party symbols. The application is designed to manage and streamline the nomination process efficiently.

Fully Authentication System

- Developed a user authentication page using **HTML, CSS, and JavaScript**. This project enables users to log in, register, reset forgotten passwords, and update their passwords. It includes form validations, secure password handling, and a responsive design to ensure a seamless user experience.

SKILLS

- **Programming Language:** Java, C
- **Web Development:** HTML, CSS, JavaScript, React.js Basics
- **Tools:** VS Code, Eclipse IDE, GIT
- **Soft Skills:** Teamwork, Time management, Problem-Solving, Quick Learner
- **Languages:** Hindi, English
